LONG BEACH ANNOUNCES TEMPORARY ROAD CLOSURE FOR DRAINAGE IMPROVEMENTS

Long Beach, MS, April 16, 2026– The City of Long Beach announces a temporary road closure at Park Row Avenue and 8th Street today as part of the ongoing Park Row Drainage Improvement Project.

This closure is necessary to allow crews to continue critical infrastructure work aimed at improving drainage in the area. The roadway is expected to reopen around 5:00 PM this evening, weather and project conditions permitting.

Motorists are encouraged to plan alternate routes and use caution when traveling near the work zone.

The City of Long Beach appreciates the public's patience and cooperation as these important improvements are completed.
